Designation of Beneficiaries

Spouses

Your spouse is your beneficiary unless he or she waives that right. Contact the Plan administrators for more information and/or to obtain forms. The most current definition of spouse can be found in the MEPP In-Depth on Designation of Beneficiary for Members Who Have Not Retired.

Intention

Before signing and returning this form, ensure that your beneficiary designation(s), together with your will, carry out your intent for the distribution of your death benefits.

Minors

In general, provincial legislation does not allow payment of benefits directly to minors. If you name a minor as a beneficiary, you should make any arrangements that are necessary (such as the appointment of a trustee) to ensure that the benefits are paid according to your intention.

Responsibility

It is your responsibility to ensure that the designations are up to date and reflect your intentions at all times. Changes in your marital or family status may indicate a need to update your beneficiaries.

! *The Municipal Employees' Pension Plan is not responsible for the validity or effect of any designation made on this form.*
