2023 year-end information

MEPP's year-end is December 31. Please **submit your final 2023 contributions**, member updates, enrolments and terminations by **January 12, 2024**. This will ensure the information on the member's annual statement is complete and accurate.

Are member addresses correct?

When enrolling members into MEPP, please **ensure the mailing address is correct and the postal codes are entered in the correct format** (i.e. S4P 4W3).

Whenever possible, please also include their email address.

This ensures MEPP can contact members in a timely manner and keeps the plan from incurring additional mailing costs.

Thank you for helping us stay connected with our members.

Member Satisfaction Survey

Please remind your members to complete the **MEPP Member Satisfaction Survey** if they received a survey link. The survey close date has been extended so there's still time to provide input. Survey info can be found in the latest edition of [MEPP Matters](#).
